

IMPORTANT NOTICE TO ALL MEMBERS

Gift Aid Tax Relief is available to UK Charitable Societies with regards to donations of any amount from UK taxpayers (out of their general taxed income). The Society can reclaim tax at no extra cost to the donor. In addition, a donor who is a higher rate taxpayer can claim further relief for their own benefit. It will, therefore, be much appreciated if you complete the Declaration at the foot of this sheet (if you have not done so in previous years) and send it to the Honorary Treasurer, whether you are intending to donate or not, in addition to your annual subscription. This will enable us to keep it on file and use it without troubling you further, when submitting any relevant claim to the Revenue. You can cancel the Declaration at any time by notifying the Honorary Treasurer in writing to that effect. A gift to the Society of any amount, large or small, is of course most welcome regardless of whether Gift Aid is applicable.

PATRONS FOR THE YEAR

Members who, in addition to their subscription, donate £250 or more to the Society in the current membership year become PATRONS of the Society during that year. Donations from our Patrons significantly assist the Society in carrying out its activities and are much appreciated. The names of current Patrons will be included in the Society's journal *Sudan & Nubia* unless anonymity is requested. Members kindly wishing to become Patrons should please send their donation (cheques made payable to SARS) to the Honorary Treasurer at the address below. If Gift Aid Tax Relief is applicable, as outlined above, the Society will be able to reclaim the tax on a Patron's donation, with further tax relief available to any donor who is a higher rate taxpayer.

GIFT AID DECLARATION

Please mark one of the boxes below:

(a) I am a UK taxpayer and, unless or until I give written notice to the contrary, I wish the Sudan Archaeological Research Society to treat all donations and any other eligible contributions made by me to the Society since 6 April 2000 or in future as Gift Aid donations net of all income tax at the basic rate for the time being in force. The income tax and/or capital gains tax paid or payable by me will be at least as much as the amount(s) which SARS will reclaim on any such payments made by me.

or

(b) I am not a UK taxpayer or am otherwise unable to tick box (a).
